Fax: (586) 254-0485

1 Year Filter Order Form

STEP 1 Determine interior cubic feet of cooler(s).

Measure interior Length, Depth & Height of each cooler requiring filters. Multiply L x D x H = Cu. Ft.

Example: If you measured in feet; e.g. 6' x 2 1/2' x 4 1/2' = 68 cu. ft.

If you measured in inches; e.g. 72" x 30" x 54" = 116,640 cubic inches. To obtain cubic ft. divide by 1,728 = 68 cu. ft.

STEP 2 Order appropriate filter(s).

Sold in sets of (3). Each filter provides protection for 120 days; all three filters provide 1 year protection.

No. Of Sets Ordered	FILTER DATA			Cost (Per Set of 3) Includes Shipping & Handling	Total
	Model #	Capacity	Dimensions		
	EGF 80*	Up to 80 cu. ft.	6" x 8"	\$56.00
